"Through this publication let us get better acquainted. Most of life's troubles come from misunderstandings. If we know each other we shall understand each other; if we understand each other, we shall trust each other; if we trust each other we shall work together in unity of purpose; if we work together in unity of purpose there is nothing worth while which we cannot accomplish."—Hon. David Blair, former Commissioner of Internal Revenue of U. S. A.

Collect of Women of America

Keep us, O God, from pettiness; let us be large in thought, in word, in deed.

Let us take time for all things; make us grow calm, serene.

May we put away all pretense and meet each other face to face without self-pity and without prejudice.

May we never be hasty in judgement and always generous.

Teach us to put unto action our better impulses, straightforwardness and unafraid.

Let us take time for all things; make us grow calm, serene and gentle.

Grant that we may realize it is the little things that create differences; that in the big things of life we are as one.

And may we strive to touch and to know the great common woman's heart of us all; and O Lord God, let us not forget to be kind.

—*Miss Mary Stewart, Colorado*

The Club Woman's Hymn

With joy we meet, each friend to greet,
From Mountain and from Sea;
Hand clasped in hand, as one we stand
In faith and loyalty.
We love our work, no task we shirk,
We serve where needs are found;
A good deed done, is for each one,
To make more joy abound.

Afire with zeal, we seek the weel,
Of nation, State, and Home;
That all may share, in our welfare
And none be forced to roam.
Always we seek, to lift the weak;
To help the strong grow wise;
To fill our hearts with love and peace
That we, with them, may rise.

Let Carolina womanhood
Arise in all its might;
With purpose strong, to right the wrong,
And make earth's pathways bright.
God guide us in our work and play,
God keep us brave and true;
Our efforts bless, and bring success,
To all we strive to do.

—*Sallie Southall Cotton*

Foreword

Many individuals and many organizations have contributed to the building of this book, and to these the Committee of Compilation wishes to express deep gratitude and sincere thanks for the generous and wide-spread response to its efforts.

It is the hope of the Committee that those who have generously contributed to this task, that lasting pleasure and return may be had, and withal, a knowledge that those whose task it was to compile this book appreciate the personal interest and kindly co-operation.

The Art and Literature department offers an unusually entertaining and unique program for the year. The Book Clubs of Winston-Salem, as associate hostess, will each hold one of their best meetings of the year, with the Art and Literature department, at the club house, presenting the program for the day from their own club.

These programs from the various Literary Clubs of the city, including a wide variety of subjects well presented, will provide an interesting and informing year for the department.

WIVES AND MOTHERS—SEE TO IT NOW

The welfare of the Wife and Children is one of the most important problems in this life. See that your Husband makes it certain that you and your Children will never be in want by investing for you NOW a part of what he intends leaving you at his death.

INCOME FOR LIFE

A monthly Income Policy in the SECURITY LIFE TRUST COMPANY will provide a monthly income for life for the Widow and Orphans, beginning at the death of the Insured. There is no cost for administration or tax on same. The Company handles it without charge. The check goes promptly every month. Many widows who are left an abundance of property or a lump sum of life insurance soon lose it and spend the balance of their days in want. Many daughters have their inheritance soon dissipated by an incapable spendthrift husband.

I have often wondered how a novelist feels when inspired to write a great novel. It certainly must be entirely different to that of a President trying to write her first report.

On Wednesday, Oct. 23rd, 1929, the initial meeting of the Woman's Club was held at the Robert E. Lee Hotel, their annual "get-together luncheon," with Mrs. E. M. Land, President of North Carolina State Federation of Women's Clubs as our speaker and honor guest. Mrs. Land is a delightful speaker, possessing a personality of rare charm and magnetism, and her address on this occasion was a masterpiece.

Our activities during the past year have been many and varied. Through the courtesy of the Metropolitan Life Insurance Company, a sixteen page booklet has been published—"A Review of Health Conditions and Needs in Forsyth County." This publication has been revised by the Civic and Social Service department, being made possible by the co-operation of Dr. J. Roy Hege, Forsyth County health officer, and the personnel of the County Health department.

A similar booklet was published of the City of Winston-Salem, with the co-operation of Dr. R. L. Carlton, the City health officer and his department. Especial study of students was made, and the parents who do not already know what health service is available for children of both the pre-school and school age, will be interested to learn how thoroughly such work is carried on, in both county and city.

Many bright and cheerful Christmas stockings filled with articles that were useful for every day use, were sent to the boys at Oteen, and a message from Miss Taylor, director of Red Cross service at Oteen, writes us the boys in the Hospital said the stockings were the very nicest they had ever received (and they were most attractive, the members seemed to vie with each other to make the most attractive stocking.)

Many needy families were made happy at Christmas time by well filled baskets, furnished by several interested members of the club. In co-operation with this basket idea for worthy families we owe many thanks to Mr. Van Dyke of the Van Dyke department store, as he gave us a most generous personal check. All purchases were made at actual cost, and many articles of clothing and toys were given with the baskets.

A generous program of semi-classical songs and negro spirituals was well rendered at the Carolina Theatre by the Kimberly Park Glee Club, sponsored by the Woman's Club and the Civitans. A silver offering was taken and the proceeds used to buy books for the Kimberly Park School Library.

Our club women aided in making the drive for the Community Chest a success.

We have co-operated with the State and General Federation 100 per cent. We contributed fifty cents per capita for the General Federation Fund of two million dollars, for carrying on the work of the General Federation, seventeen thousand, five hundred dollars being the quota for North Carolina. I wish to state here that North Carolina was the first State in the General Federation to send in the first thousand dollars.

We contributed to the Sally Southall Cotton Loan Fund, of the State Federation. It would do your heart good to hear the wonderful report given at Pinehurst, on how many girls had been aided in getting an education through this Loan Fund. Many appeals were made in vain for lack of funds.

Our State Federation, as many of you know, was asked to make the Home Survey of accidents, "because of the efficient way in which you undertake tasks entrusted to you," so stated our President of the General Federation, Mrs. Sippel, to Mrs. Land. The survey of our club was managed so efficiently by Mrs. A. H. Hilker and Mrs. Ed Smith,, reporting three hundred and twenty five homes with only fifteen accidents.

We have been highly commended for rendering a distinct service for our community by sponsoring the appearance of the St. Olaf Choir. Many have said it was a real outstanding community service; and we did not forget the colored people of our city as the Choir appeared at the Columbia Heights High School Auditorium, and many letters of appreciation were received.

Our finances have been at a very low ebb, especially since paying brokerage et cetera, in consequence of the loan of thirty thousand dollars made by the Jefferson Standard Life Insurance Company. As many of you know, we have paid Mrs. Laura Tise Kern the sum of thirty thousand dollars, this being the balance due on our Club House. This sum we were able to pay by re-financing through the Jefferson Standard Life Insurance Company.

For replenishing our depleted treasury we are much encouraged over the prospects of a substantial sum to be realized from our Year Book, new memberships, entertainments, lectures et cetera.

Our total receipts last year was $4,261.77 and the disbursements $3,819.01. Of this amount collected one hundred dollars was a gift and a little over a thousand dollars in dues. Many of the members were late in paying dues, so could not be counted in this years work. The residue was earned by real hard work by the club members; following is a list of the ways and means of earning this money:

In November we had one day at Van Dyke's, when club members had entire charge of the store. It was a very profitable day, our share being $203 dollars, and club members reporting a day of pleasure as well as work. Then we were in charge of the Downtown Garage for three days, receiving a percent of all purchases made, and we made $90.45. The American Homes department assisted in giving a demonstration at D. G. Craven Company, receiving $18.78. This department also registered names of customers and visitors at Huntley-Hill-Stockton Co., realizing $191. in this way. From the efforts of the loyal workers of the Fair Booth we received $305. In assisting McKaughn Dry Cleaning Company in advertising we received $28.00.

The Garden department had a sale of crackers and made $18.78. The Art and Literature department contributed $20.00 to the Building fund. Proceeds from the St. Olaf's Choir was $491.67.

We had another day at Van Dyke's in March and received $100 for our efforts. Another feature of the club work was a series of Contract Bridge lessons, given by Mrs. Phin Horton, Sr. This proved to be quite a success socially as well as financially, our pro-

fits from this being $29.50. During this series of lessons delightful refreshments were served after each lesson, through the courtesy of the Quality Bakeries, and we appreciate the generous supply of cakes and cookies given us each week by Mr. Rawls of the Quality Bakeries. The Blue Ribbon Ice Cream Company contributed ice cream several times during our series of lectures.

We assisted the Warner Flooring Company for three days, exhibiting their complete line of floor covering. For this co-operation the Warner Flooring Company gave us a beautiful pattern of inlaid linoleum for the kitchen and back hall of the Club House.

It would take too much space to tell you of the many other ways we have made money to meet our current expenses. You will realize from the above how the Chairman of every department has worked, and each department has contributed to the building fund. It has been a real pleasure to work with our loyal club women, they have given of themselves and their time in making a success of the different projects the Club has undertaken. If the Club has made progress, it has certainly been due to the combined efforts and co-operation of the members.

DEPARTMENTAL WORK

Our departmental work has been exceptionally good this past year. The feature of the American Homes department, under the leadership of Mrs. A. L. Googe, for the year, was the "live at Home Dinner," in co-operation with the County Federation of Women's Clubs. The dinner was unique in that it was the first time in the history of Forsyth, that the women of Forsyth County and of Winston-Salem had assembled in a project of this kind. Falling in line with Governor Gardner's plan, this dinner was made possible by the untiring efforts of Mrs. Googe and Mrs. Sills of the American Homes department, Mrs. Andrew Mickle, first Vice-President and Miss Alice McQueen of the County Home Demonstration Board also many of the women from the County Federation, Miss Tinder, of the High School, also Miss Mather, with a splendid group of high school girls, who were so kind as to serve the dinner so efficiently. We feel we are developing a spirit of co-operation and understanding between the women of the city and their rural sisters. Also many interesting speakers have helped make a success of this department.

The Garden Department under the direction of Mrs. B. B. Walker, held very interesting meetings. Speakers during the year were Miss Ella Hinshaw on Lillies; Mrs. W. T. Wilson on Hybridizing; Mrs. Chalmers Glenn, whose knowledge of dahlias is most flattering, had a wonderful display of blooms at the Club House in September of last year. The late Col. Ludlow gave a most interesting talk on roses. Mr. Paul Lindley on Shrubs, was instructive and interesting. Mrs. Powell Neely told us of flowers in Hawaii. Miss Edna Maslin presented a thoroughly interesting paper on Iris. In various ways the department earned and contributed to the building fund the sum of $107.65.

The Civic and Social Service department, with Mrs. A. W. Cline as capable chairman, has functioned under the direction of the American Homes department. The individual activities comprised of entertaining throughout the year by such capable women as, Mrs. Mary Camp Sprinkle, director of the State Board of Charities and Public Welfare, Miss Evabelle Covington, head of the Social Science department of Salem College, Miss Lorena Kelly on "the Church and Social Service." Special mention should be made of the co-operation of the Council of Jewish Women in the collection of clothing for several rural families.

The principle feature of the Art and Literature, under the leadership of Mrs. J. E. deGafferelly, has been the organizing of a writers club with a total of seven members, which is under the direction of Mrs. Herbert Carroll. This is the only Writers Club in the Federation and Mrs. Carroll deserves much credit for her efforts in this direction. The department sponsored and assisted in sending a pilgrim on the Adult Educational Pilgrimage to Washington in April. This Pilgrimage to Washington was considered the outstanding work of the State Federation. In November National Book Week was observed with a most interesting speaker, Elizabeth Janet Gray, author of girls books. Also many other interesting speakers. Our chairman, Mrs. deGafferelly, was in great demand during the period as a most interesting speaker.

One of the busy units of our Club is the Music department. This department, consisting of about sixty five members, has had a very profitable and enjoyable year under the capable leadership of Mrs. E. M. Spivey. They have sponsored the local Atwater Kent Auditions for two years. The work of this department has been conducted by wide-a-wake committees. Miss Mabelle Beatey is chairman of Programs. Mrs. Lindsay Kester is chairman of the evening section, which was organized October fourteenth, ninteen twenty nine, giving the members who could not attend the morning classes an opportunity to study in the evenings. Mrs. Boals is chairman of the study section. Last but by no means the least, the Welfare committee, Miss Jesse Lupo chairman. Miss Lupo with fifteen other members have assisted at the Y. W. C. A., and factory meetings. Programs have been furnished for special occasions throughout the year, at the Hospitals, Salem Home, County Home, and different meetings at the club house. This department endorsed and sponsored the sending of the "Pfohl Family Orchestra" to the Boston Biennial Convention of Music.

Mrs. Marion Butler, chairman of Ways and Means Committee, sponsored three teas at which silver offerings were made. This Committee has been very busy this year, for early last fall the Music department voted on a purchase of a Steinway piano for use at the club house which was immediately installed at a cost of $1595, and they have already paid $945. The Treasurer of this department, Mrs. A. C. Perry, has handled a total of $1551 during the year. The Woman's Club as a whole is very grateful to the Music department for the purchase of this beautiful new instrument for the club house.

The House Committee is to be highly commended for the most efficient way in which the club house has been managed. Mrs. Thomas Maslin chairman and Mrs. Herbert Carroll treasurer. This committee reports receipts for the past year, as having been $2,175.81 with disbursements $2,167.13. This is a very busy committee, having many difficult problems to solve, attendant on the management of our club house, which requires more work and worry than the average member realizes.

It is a matter of "mother" pride I mention here, that the Junior Woman's Club returned from the State Federation of Women's Clubs with the lovely gavel, on whose silver band is engraved, "Winston-Salem Junior Woman's Club," which signifies this club was winner of this symbol for the finest and most outstanding work done by any Junior Woman's Club in the State. Let it be known that the Woman's Club feels a personal pride in the work done by this splendid group of young women, of whom Mrs. Chas. Pegram is the capable President.

Our program committee deserves special mention, Mrs. W. E. Thrasher, Mrs. F. J. Peterson, Jr., Mrs. A. H. Hilker, Mrs. Ed Smith with Mrs. Dallas Kirby as chairman, through whose guidance and untiring efforts our elaborate Year Book has been made possible.

I wish to thank each loyal member for her support. You have responded willingly and cheerfully to requests for service in any capacity. You have assisted from the Kitchen to the Receiving Line, with your continued co-operation our Club is bound to progress.

Especially do I wish to thank Mrs. T. J. Byerly our capable treasurer. Her tedious work of keeping records correctly has been cheerfully and patiently done.

I wish to thank the officers of the club, all committee chairmen for their loyal support and splendid co-operation for the work accomplished this year.

We as a club, want to become a real community asset, as club members we want to strive to make our activities a real service to the community.

Respectfully submitted,

Golda J. Watson, *President*

THE SPLENDID CO-OPERATION OF MERCHANTS AND BUSINESS FIRMS OF THE CITY WITH OUR CLUB

A pleasing spirit of co-operation with our Woman's Club prevails among merchants and business concerns of our city, and we want to take this opportunity of advising our Club members as well as our many friends, of the wonderful spirit of co-operation we have found in Winston-Salem this past summer, in fact at all times, but especially so this summer.

The Club House has needed repairs, re-decorating, etc., for some time. With our depleted Treasury, caused by interest payments on our Club House debt, only a miracle could work the necessary changes.

The "miracle" has been worked through the generosity of the following business concerns: Gordon Paint Co., of North Spruce Street, gave us fifty rolls of beautiful paper for our halls; Mr. John Knouse, Painter and Decorator, 208 Shawnee St., papered the walls. Mr. Knouse not only gave of his time for papering, but mixed paint for us on several occasions.

With the entrance hall so bright and cheerful, it seemed quite necessary to have the Library in harmony.

Gateways Stores, Inc., 219 West 5th Street, who have a large assortment of attractive wall coverings, also gave us fifty rolls of wall paper which were put on walls of the library by Mr. Ernest O. Charles, 2012 Waughtown Ave. The work is well done and the appearance of the room greatly improved.

Miss Ada Allen, Interior Decorator, 800 South Main Street, also gave generously of her time and talents.

The music room and dining room were left looking so dingy and dreary, compared with the clean new paper of the other rooms, that something had to be done. The Vick Paint Company of 506 North Trade Street, came to our rescue. This Company also carries a complete line of Wall paper, and gave us fifty rolls, which were put on walls by Mr. M. F. Peddycord, of 206 North Main Street. In Mr. Peddycord's work it was necessary to remove old paper and do much scraping of side walls. This hard work was cheerfully and skilfully done. The room is now a credit to the concern.

To carry out the "scheme" of newness and freshness, a quanity of paint was then essential for bath rooms. The Brown-Rogers-Dixon Hardware Co. donated four gallons of green paint for this purpose. You should see the bath rooms in their new coloring.

We are deeply indebted to the Electric Service Co. of 116 West 4th Street, for the installation of brass electric light switch plates, to replace the antiquated wooden ones which were most unattractive on our new light colored paper.

Of course we could not neglect the floors! The Winston-Salem Hardware Co., 215 West 5th Street, came to our aid by giving us a gallon of shellac and a pound of wax, with the result that our floors now look like new.

The Rominger Furniture Co., 423 N. Liberty St., gave us a good looking day bed for our sun room, which has been rented as a Studio.

The Magic Queen Cleaner Co. donated their wonderful Magic Cleaner for cleaning and brightening wood work.

Mr. H. A. Tatem, 1117 East 5th Street, upholsterer, re-upholstered several chairs for us. Huntley-Hill-Stockton graciously donated the material for this splendid work done by Mr. Tatem.

Also, Huntley-Hill-Stockton Co. donated a runner for the side entrance hall.

Mr. H. L. Wilkes, 1838 Mansfield, painter and Decorator, took real pity on us, and with real interest papered the only two remaining rooms which were

dreary and cheerless. These rooms are now bright, and in keeping with the other freshly papered rooms.

With walls and floors freshened, and looking like new, something must be done about windows! Van Dyke's, Inc., gave us twenty-six yards of Mohair Casement Cloth for wondows of one room.

The Ideal Dry Goods Co. gave us twenty yards for another room.

Mrs. Lena Stagg, 622 West 4th Street, very kindly gave us fifteen yards of material for another room.

Of eourse the proper draping of these materials for our windows was very necessary. This Mr. S. B. Knight, painter and decorator, 630 West 4th Street, has done for us in a most thorough and artistic manner. Consequently, our draperies are beautifully made and hang evenly.

The Carolina Hotel Apartments gave us two most attaractive Love seats for our entrance hall.

For these Love seats, Brown-D'Onofrio, 307 Reynolds building gave us two handsome pillows of Holland Block Print. To make this setting complete we have two mahogany end tables of Lyre design donated by the Anchor Stores, Ine., all of which make our entranee hall most attractive.

The upper sleeping porch has been painted. Morrisette Company, 426 N. Liberty St., gave us a bolt of sheer white voile for window hangings, which were made by our Hostess, Mrs. McNeil.

More spaee on our main floor was badly needed for storing our many extra ehairs when not in use. Fogle Brothers Co., 202 Belews St. enclosed our back porch, thus giving us a weather-proof enclosure for housing extra furniture, which was badly needed. We are very grateful to them for their work.

In making preparations for winter weather, our furnaee and boiler needed a complete inspection. Thanks to The Connelly Engineering Co., of North Liberty St., inspection and cleaning of our heating apparatus has been made, and everything is in first class condition for coming eold weather.

In making ready for the winter months, cleaning and renovating of bed-coverings were absolutely necessary. The Zinzendorf Laundry has very kindly cleaned all of our blankets, returning them, clean, soft and fluffy, all ready for use.

Dunn's Laundry was good enough to launder all sheer bed-room curtains. They were returned clean and white, with all ruffles daintly plaited.

O'Hanlon's Drug Co. presented us with three cases of ginger ale for the iced tea we served with the American Legion Auxiliary luncheon, at the Woman's Club on August the 25th, 1930.

Morris Early Furniture Company gave us a beautiful rose linen rug for the hostess room.

Winston Steam Laundry, has returned all our shades beautifully cleaned.

Realty Bond Supply Company, on North West Blvd. has made us three splendid advertising boards.

The Reynolda, Inc., has trimmed our trees to make the exterior as attractive as the interior.

Because of the many real kindnesses shown us by the merchants of Winston-Salem—because of the many dollars our club has been saved in various and sundry ways by them—because of actual service and hard labor given by them—because they have been the means of making the interior of our Club House a place of beauty and cleanliness—we say we believe in the merchants of Winston-Salem who have co-operated with us 100 per cent. We tender our sincere thanks and appreciation, and hope that each and every member of our Club will take every opportunity of patronizing all merchants herein mentioned, thus showing in a substantial way our full appreciation of their many favors.

Also, we wish to thank all merchants who have been kind enough to take advertising space in our Year Book. We hope that Club members will make every effort to patronize all who have been kind enough to favor us with an "ad."

A BED IS NO BETTER THAN ITS MATTRESS!

The bed may be a masterpiece of craftsmanship and painted with the gorgeous tints of a rainbow, but if its mattress is faulty, it is all a hollow mockery as an outfit for body and mind soothing sleep.

A mattress remade here is practically a new one and you can depend upon it for ease and comfort.

HOME OFFICE

More than 370 Millions in Force

Your Children—What are the chances of your boy or girl receiving a college education?

Of course you reply, "Not a matter of chance at all, I determined they will have it!"

And if you live, your husband lives, and you both prosper, they will. No doubt of that. But suppose financial reverses come, or you or your husband die prematurely? Is there any guarantee that the boy or girl you are devoting your lives to will have a fair start in life?

A Jefferson Standard Educational Policy will guarantee the money for their education. No matter what happens to you, the money will be supplied by this contract.

A Jefferson Standard Educational Policy also offers a means of stretching the cost of education over a period of years. And through comparatively small deposits, does away with the burden of supplying the money in a lump sum out of your pocket.

DOLLARS DO DOUBLE DUTY AT Q. S. STORES

Not by occassional spasmodic price reductions on a few items, but by day in and day out lowered prices. The Quality Service Stores have earned their reputation for lowering prices. Each Quality Service Grocer is the owner of their respective store, and each of them contribute to the upbuilding of the Community. There is a Q S. Store in your neighborhood, phone them your order to-day.

The Winston-Salem Branch is one of the ten Pranches of the State of North Carolina. The State organization is in turn a part of the National organization.

The A. A. U. W. was founded in 1899 as the Association of Collegiate Alumnae. In 1921 the name was changed to American Association of University Women. It is now a link in the International Federation of University Women.

The purpose of the original organization was to raise the standard of education of women. As part of the International organization its purpose is to promote an understanding and friendship between the University Women of the world and thereby further their interests, and develop between their countries sympathy and mutual helpfulness.

The original purpose found its outlet in the investigation and improvement of elementary education; the raising of loan funds and the endowment of scholarships. As the ideals and scope has widened so has the outlet and the goal now set is the endowment of a million dollar fellowship fund, both National and International in its aspect. The South Atlantic section, of which North Carolina is a unite, is responsible for one of the 25 fellowships.

In addition to a definte program and group study, the Winston-Salem Branch sponsors the sending of two Industrial girls to the Bryn Mawr summer school each year.

The club plans this year to center its program about some community service.
